7TH DEATH VALLEY CONFERENCE ON HISTORY AND PRE-HISTORY

Call For Papers

The 7th Conference on Death Valley History and Prehistory will be held February 3-6, 2005 at Death Valley National Park.

The purpose of the conference is to encourage original research on the Human History and Prehistory of the Death Valley area and to disseminate that research through presentation at the conference and publication of the papers in the proceedings.

Please submit a one-page abstract of your proposed paper for consideration by June 15, 2004. A five person committee will select the speakers based on the abstracts. You will be notified by July 15, 2004.

NEW!! You don't have enough information for a paper? We are going to add a section for **Snippets of History**. Presentation time 5 minutes only. These will be included in the Proceedings so we must have them in written form. They can be interesting, amazing findings, and updates that are interesting but do not warrant a full length paper.

Attention Students!, scholarships are available to graduate and under graduates who are selected to present at the conference. Scholarship will be based on need and selected by the Board of Sponsors.

Send your abstracts to:
